

## Shipston Home Nursing

We are currently looking to recruit several **Registered General Nurses** to join our **Hospice at Home Team**, based from our **Shipston on Stour** offices.

We are an established but growing charity delivering specialist palliative care to patients and their families within their own homes. Our services operate 24 hours daily and 365 days annually so that we're accessible to known patients and their families when they most need us.

A full new employee induction process is provided, together with a program of in-house and external training and opportunities to further your experience. We also offer competitive basic rates of pay, together with enhanced rates for nights, weekends and Bank Holidays, paid travel time, holiday pay and subject to eligibility you can enrol in our pension scheme.

### **Bank Registered Nurse – Band 5 (days and nights)**

The ideal applicants will have:

- 2 years post qualifying experience
- Enthusiasm and compassion with good communication skills
- Palliative care experience, although this is desirable rather than essential

This position requires applicants to have a current UK Driving Licence and access to a vehicle. The position is also subject to a satisfactory enhanced DBS check.

Please contact Tracy Brewer on 01608 664850 or email, [admin@shipstohomenursing.co.uk](mailto:admin@shipstohomenursing.co.uk) for an application pack.
