

## Meet some of our nursing team

**Ali**  
Healthcare  
Assistant

"It feels really good to work for a local charity, supporting local communities. It's an organisation that's at the heart of our towns and villages."

**Heather**  
Nurse  
Coordinator

"I find it most rewarding having face to face interactions with patients and their families. It is a privilege to be able to support them at the end of their lives. The SHN team are an amazing group of people to work with."

**Sally-Ann**  
Nurse

"My job allows me to give as much time as needed to the patients and carers. If you can put yourself in someone else's shoes you have a greater understanding of how they feel and can act accordingly."

# Sponsor our Nurses

Give a regular monthly gift to ensure our nurses and healthcare assistants can continue to support people in our local community.

## Why sponsor a nurse?

Our nurses and healthcare assistants are at the heart of our hospice at home service.

They are experienced in palliative care, focusing on symptom control and personal care to provide the best possible end of life support to patients and their families and carers.

This care is provided 24 hours a day, 365 days of the year and is FREE of charge.

Your monthly gift will enable our team to continue to care for patients in their own homes - helping to make them feel more comfortable in their last days and weeks, whilst also supporting the wider family.

This service is available in Shipston, Kineton, Wellesbourne and the surrounding villages.

## How your gift could help

**£5 a month** over a year could fund a bereavement counselling session with our trained counsellor and a follow up call.

**£10 a month** over a year could fund a care and respite visit from one of our HCA's.

**£20 a month** over a year could fund almost seven hours of nursing care.

How much you choose to give is entirely up to you. In return we will send you an annual update from our team.
